Presidents Report – Vickie Daniels

Went over Registered clubs in Indiana vs USA Judo National roster; USA Judo states must have 500 registered members in a state to be voting member. There was lots of discussion on Class B membership. Committee Reports

Kata committee – The March 18, 2011 Kata clinic by Sensei Shepherd was successful. Held at CSA and hosted by Marion PAL Judo, there were 20+ judoka attending the clinic Friday evening from as far away as Chicago, IL and Canada. The tournament held March 19, was very successful and gave us new ideas for the 2012 tournament. Overall Champions for the “traveling trophy” were Quentin Cook and Derrick Cook. Complete results and pictures will be available on the state website in the near future.

Referee Committee – Chairman Paul Tarrant emailed his report to the Board of Directors and it was shared at the meeting. Only Regional Referee certified in this time frame was Bruce Bender. John Branson has passed his practical but still needs to take his written exam.

Coaching Committee – No Report given

Registration Committee – 107 USA Judo members and 10 Clubs
